Famous for serving as stage for the filming of important movies such as Star Wars or Lawrence of Arabia, this place is a must-see in our city.*

*The park is also a botanical route so if you are a nature-lover, this place is a wonder. We can also organize bike tours and/or picnics in the park...*

# Venue for Dinner – Duchess of Albe

The family of the Dukes of Alba is one of the most famous family of aristocrats in Spain (the Duchess of Alba had more titles than the Queen Elisabeth II). During the 20<sup>th</sup> century, this palace has been a place of encounter between the members of the European royal families and important persons from the cultural, political and artistic international background. Emblematic persons such as Jacqueline Kennedy, Wallis Simpson, Grace Kelly, the Prince of Wales, the Kings of Sweden, Michael Douglas and many more have paid a visit to the palace to meet their counterparts, always accompanied by the Duchess of Alba.

Since 2016, after the Duchess passed away, D. Carlos Fitz-James Stuart, 19<sup>th</sup> Duque of Alba, opened the palace – a jewel of Andalusian architecture – to corporate and private events of high standard for up to 300 pax.
