"The difference between the ordinary and extraordinary is the little 'extra' "- colours of malta

The Maltese Islands

colours of malta

Sailing is a great experience for people who love **adventure, the sea and the outdoors** and it is a great way to get to know Malta, Gozo and Comino while **having fun and relaxing**.

Thanks to the Island's great location in the centre of the Mediterranean and the perfect climate. Malta is an **excellent place to sail** whether you are experienced or just starting out.

The **coastline is spectacular and full of bays, caves and secluded beaches**. The **sunsets in Malta are amazing from a boat**, so evening sails are also recommended.

The winds in Malta will ensure that you have the force you need to get under sail. Malta are the proud hosts of the **Rolex Middle Sea Race** and the **Malta –Syracuse Race** each year.

Sailing Regatta – half day activity

colours of malta

09:00am / 14.00 pm

Guests will Board sailing boats from hotel jetty or marina pontoons
A skipper will give a brief description on how to handle the sails, ropes and explanation on sailing as well as a first aid briefing before guests race towards the north. The boats will race along the coast and stop at Comino (the blue lagoon).
(each boat takes up to 6 pax)
