How to get to Gozo?

Transfer options to Gozo:

Guests are spoilt for choice when it comes to choosing how to get to Gozo. A transfer by ferry entails a transfer by coach to the Northeast part of the island, this normally takes up to 45mins. Guest then board the ferry which takes 20 mins to cross over to the sister island of Gozo. Another option, would be by catamaran/ or schooner. This type of transfer reduces tedious transfers by coach and allows guests to board the vessel from the hotel jetty. This kind of transfer takes up to 1 ½ hours of relaxation & cruising to Gozo. For guests who do not wish to waste any time, a speedboat transfer may be organised from the hotel's jetty. This kind of transfer takes up to 20 – 30 mins

(this also depends on hotel chosen and ease of access to the jetty)
