"The difference between the ordinary and extraordinary is the little 'extra' "- colours of malta

The Mediterranean Sea is renowned world wide for its calm, clear, non-tidal waters that offer exceptional visibility.

Malta's isolated location away from the European mainland means its surrounding waters are particularly free from pollution and exceptionally clear.

With warm temperatures due to a mild climate, the temperatures do not drop very much in the winter months, making water activities available for all – nearly All year round!

We make the most of this by using the Sea as one of our favourite playgrounds or backdrops for all our major activities ...

Why Use the Sea ?

**Be it for a fun adrenaline high activity or a historical tour –
Malta coast is best seen from the sea!**

Malta is blessed with clear waters, sunshine and some of the oldest history in the world, by water and on your own boat the sights are far more accessible not only to see but Also to enjoy ...

Cruising the Harbour by sailing boats or on a large boat –

The ideal way to view our Natural Harbour is from the sea

There are plenty of inlets, nooks, crannies, forts and fortifications that one would miss from land and that create a totally new outlook on the city and its history!

Exploring the Caves – Speedboat rides through the caves to explore the myriad of secret colours embedded in these stunning caves and caverns!

**Jet Ski rides / Rib Rentals / Water Taxis – Use the sea to beat the traffic –
Rent a sea vehicle!**

**Or alternatively Experience the tranquillity of our waters
on board a Turkish gullet or luxury sailing boat !**

Jet Ski Fun

Renting a Jet-Ski during your holiday in Malta is one of the most exciting, adventurous and thrilling ways to discover Malta, Gozo and Comino while keeping cool from the splashing sea. Renting a Jet-Ski allows you to discover all the secluded beaches and caves only accessible by sea and admire the beauty of the unspoilt nature of Malta.

If you are looking for an adrenaline rush and some fun renting a jet ski during your holiday in Malta is a perfect option.

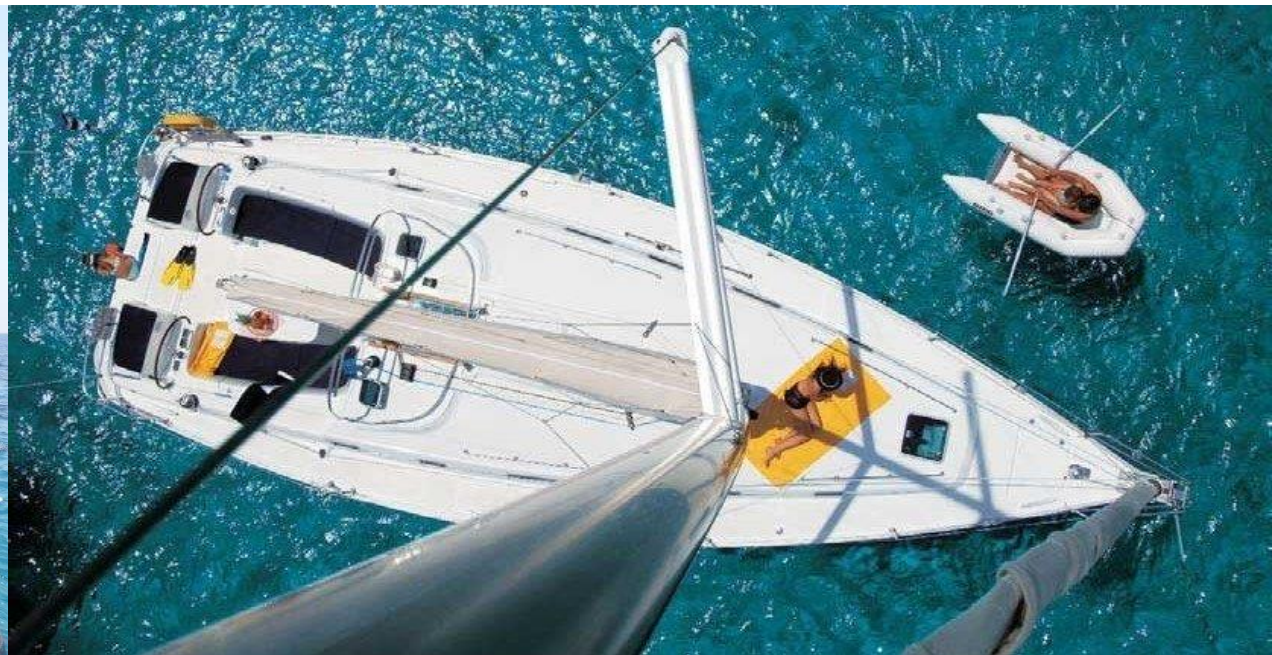

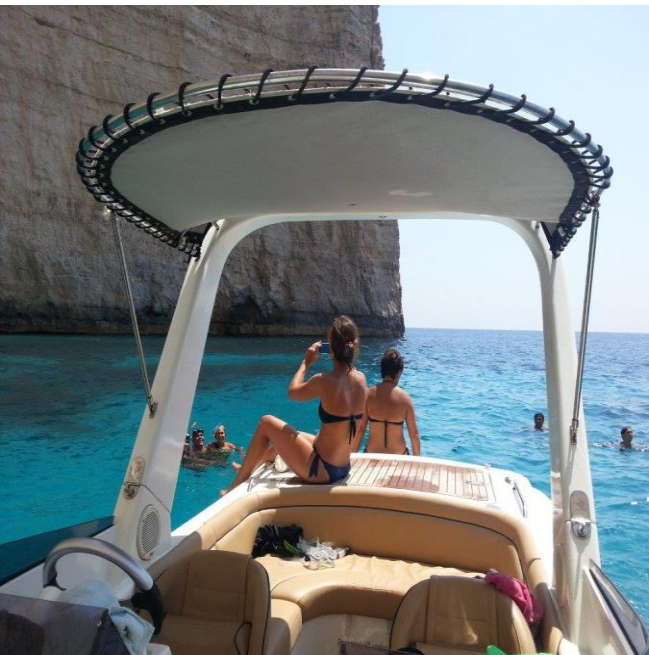

Rib or Private Boat anyone?

colours of malta

Rent a private rib or yacht - explore private beaches and hidden caves and coves, arrive in style with a private boat, no sharing!

Some bays are so quiet and inaccessible from land that there are days when you will be all alone – completely on your own along with your highly experienced captain/ skipper ...

Enjoy your own bay for a day !
