

## Try out our ... SPEEDBOAT TREASURE HUNT

\*fun

\*adventurous

\*high adrenaline activity

\*discover the caves and admire the island's coast

\*spend a few hours at sea

\*comino

\*st paul's islands

\*all year round activity – subject to sea conditions

## **ABOUT THIS PROJECT**

Teams are assigned a skipper and a power boat. The teams must then decipher riddles to discover the destination they must go to, where they will complete a challenge to earn points. At each location, teams are given a piece of a map. Only when all locations have been visited and all the parts of the map placed together, will the location of the treasure chest be revealed.

To earn each piece of the map, teams are required to perform a task or challenge. These range from answering questions and taking photos, to performing more demanding tasks. Each task is designed to get the team members to work together and stretch themselves creatively. Teams are awarded points according to the level of success they manage to achieve in each task.

## **IN A NUTSHELL**

Ride the open waters in this fast-paced event that sees teams competing against each other to piece together a puzzle that will reveal the location of the hidden treasure chest!
