Dinner in the Sky

colours of **malta**

An extraordinary aerial culinary experience in the heart of Malta's capital.

Dinner in the Sky Malta elevates 22 guests to 40 meters above the rooftops of Valletta offering stunning views of the city peninsula and one of Europe's most beautiful harbours. Combining a perfect balance of fine dining, fun, excitement and theatre into one completely unique and breath taking experience.

Renowned Maltese chef, Marvin Gauci takes his innovative approach to new heights by creating three exceptional dining experiences to choose from. Each menu highlights the magic of the flight by complementing the incredible dining environment with a view that you will never forget.
