What's new

The Lantern in Via del corso

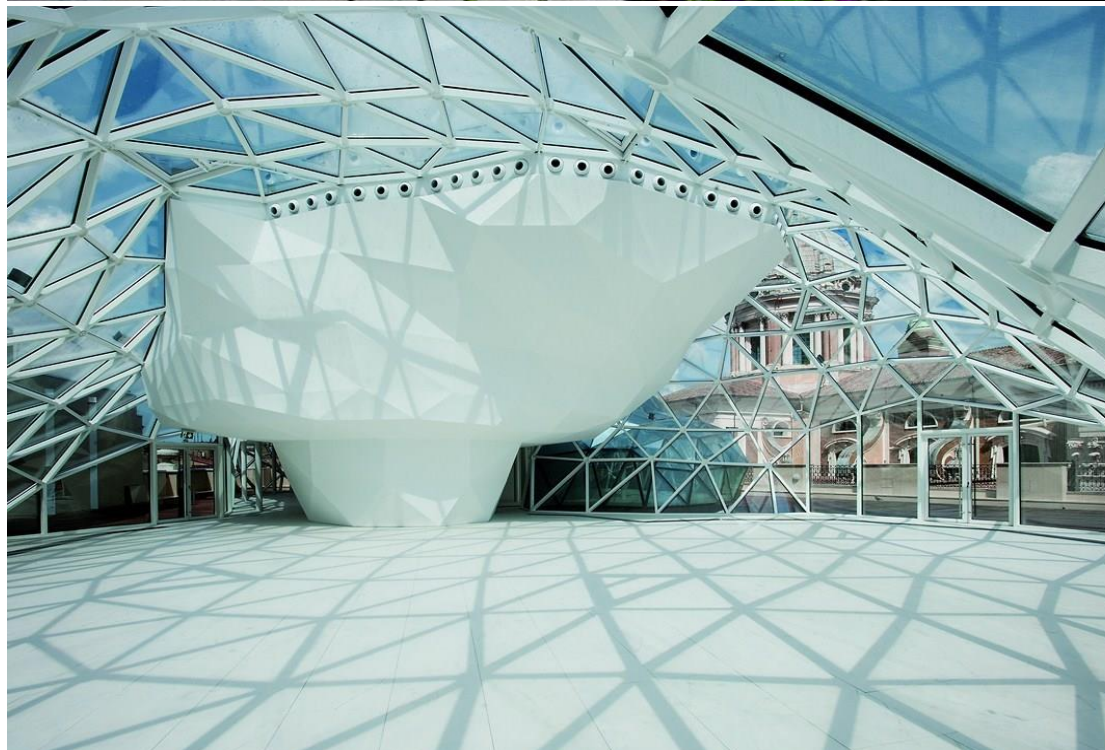

A new architecture redefines the Roman skyline with a contemporary touch: it is the "Lantern" designed by **Massimiliano Fuksas** and made of glass and steel.

The Lantern covers an area of 300 square meters with stunning views of the dome of San Carlo al Corso .
2 glass elevators (up 24 pax) from ground floor to the roof top

Capacity:

- Seated dinner: 200 pax
- Buffet style: 400 pax
