# ECO TOURS

# Mediterranean ECO Experience

*Experience a Mediterranean ECO adventure ....*

Guests will be met by a Colours of Malta Coordinator in the hotel's main lobby. Guest will then board coaches/ minivans and head to the chosen location.

**3 options:**

- *Dingli ECO*
- *Olive Grove*
- *Vine & Wine*

## Option 1: Vine & Wine

The experience takes place in the heart of Malta's rural areas, where farmers grow vines to harvest the finest Maltese grapes once a year. Secluded vineyards, managed by real farmers, form excellent venues where a variety of wines can be tasted while enjoying stunning views of the countryside.

## Option 2: Dingli ECO

After driving through agricultural land, we will enjoy astonishing panorama close to Dingli Cliffs. Different natural and semi natural habitats can be seen whilst appreciating this unique sea view. A 400 year-old hunting Lodge will be visited in the woodland of Buskett followed by a taste of Authentic Maltese village life, where we will enjoy some snacks. During this tour one can experience the authentic Village life as well as the calmness of land and seascapes.

## Option 3: Olive Grove

The strong roots of Olive cultivation in the Maltese Islands are evident in many areas, particularly in the names of some villages and hamlets. This experience will start by visiting a 16<sup>th</sup> century chapel overlooking a breathtaking panorama. Following this we will move on to an olive grove located in the heart of a rural area where we will taste some extra virgin olive oil together with crispy local bread and other savories.
