Jerash lies on a plain surrounded by hilly wooded areas and fertile basins. Conquered by General Pompey in 63 BC, it came under Roman rule and was one of the ten great Roman cities, the Decapolis League

Continue to **Ajlun** - The marvels of nature and the genius of medieval Arab military architecture have given northern Jordan two of the most important ecological and historical attractions in the Middle East: the sprawling pine forests of the Ajloun-Dibbine area, and the towering Ayyubid castle at Ajlun, which helped to defeat the Crusaders eight centuries ago. Ajlun Castle (Qal'at Ar-Rabad) was built by one of Saladin's generals in 1184

AD to control the iron mines of Ajlun, and to deter the Franks from invading Ajlun.

DAY 3 | Amman – Madaba – Mount Nebo – Karak – Petra

After breakfast, check-out from hotel and drive to **Madaba** Best known for its spectacular Byzantine and Umayyad mosaics, Madaba is home to the famous 6th century Mosaic Map of Jerusalem and the Holy Land. Continue to visit **Mount Nebo**, the mountaintop memorial of Moses with captivating views of the Jordan Valley, Dead Sea and The River Jordan.

Then drive to **Karak** to see the famous crusaders' fort - The fort itself is a dark maze of stone-vaulted halls and endless passageways. Proceed to **hotel in Petra** for check-in and overnight.

DAY 4 | Petra – Wadi Rum – Aqaba

Breakfast at Hotel. Check-out and Start the **visit of Petra** - Petra the world wonder, is without doubt Jordan's most valuable treasure and greatest tourist attraction. It is a vast, unique city, carved into the sheer rock face by the Nabateans who settled here more than 2000 years ago, turning it into an important junction for the silk, spice and other trade routes that linked China, India and southern Arabia with Egypt, Syria, Greece and Rome. Entrance to the city is through the Siq, a narrow gorge, over 1 kilometer in length, which is flanked on either side by soaring, 80 meters high cliffs. The colors and formations of the rocks are dazzling. As you reach the end of the Siq you will catch your first glimpse of Al-Khazneh (Treasury). A massive façade, 30m wide and 43m high, carved out of the sheer, dusky pink, rock-face and dwarfing everything around it. It was carved in the early 1st century as the tomb of an important Nabatean king and represents the engineering genius of these ancient people.

Upon completion of the tour transfer to **Wadi Rum** - This is a stupendous, timeless place, virtually untouched by humanity and its destructive forces, so elegantly described by T.E. Lawrence as "vast, echoing and god-like"..

Also known as 'The Valley of the Moon', this is the place where Prince Faisal Bin Hussein and T.E. Lawrence based their headquarters during the Arab Revolt against the Ottomans in World War 1, and their exploits are intrinsically woven into the history of this amazing area.

We will arrange Jeep Tour by Bedouin jeeps (about 2hrs) inside Wadi Rum – then continue to Aqaba – Check in at Hotel – overnight.

With its wealth of other attractions, Jordan's splendid **Red Sea** resort is often overlooked by modern-day visitors. But apart from being a delightful place for discerning holidaymakers, this is actually a great base from which to explore various places of interest in southern Jordan. **Aqaba** is a fun place. It is a microcosm of all the good things Jordan has to offer, including a fascinating history with some outstanding sites, excellent hotels and activities, superb visitor facilities, good shopping, and welcoming, friendly people, who enjoy nothing more than making sure their visitors have a good

time.
